

We are happy to announce the hiring of Evan Baker. Evan serves as our recreation coordinator, overseeing the daily operations of the Christian Life Center. Evan loves all things sports. In high school, he played basketball, baseball, and football.

Prior to coming to FUMC Dothan, Evan has worked with the Parks and Recreation Department for the City of Hartford, maintaining their facilities and fields as well as scorekeeping for various sporting events, at Pro Image Sports as their assistant manager, and most recently at Dick's Sporting Goods.

Evan prides himself as being an easy-going individual who's always willing to offer a helping hand and is excited to collaborate with other staff members and volunteers to incorporate recreational activities into other ministry areas throughout the church. Having grown up in the Methodist Church, Evan is thankful for the opportunity to work in ministry and serve the people of FUMC and our community.

He was very active with his youth group in high school and loved participating in recreational activities, especially during Vacation Bible School and other church events. We look forward to him using his basketball skills during our church-league basketball season this year!

Away from work, Evan loves spending time with his family. We are blessed to add Evan to our staff and encourage you to stop by the Christian Life Center to meet him!

Church Administrator**
